**Communications/Public Relations**

Help promote our programs within the parish, the diocese and our community. Be our liason to the Los Altos Town Crier, the diocesan Valley Catholic newspaper and our parish bulletin.

**Project/Event Coordinator**

Are you a great party planner? Looking for a way to plug in to our parish? We can utilize and will appreciate your talent. Each of our programs offers social justice/service projects, retreats, community building events and appreciation parties which require an organized planner.

**Administrative Volunteers**

We have many administrative needs from copying to data entry to calligraphy. You can work from home or in the classroom.

**Photography and/or Video Editing**

Take photos/videos at special events such as retreats, service events, brunch/doughnut Sundays, Living Way, Christmas programs or in the classrooms. We also need help putting together promotional videos and creating video blogs for our website.

**Catechist/Religious Education Teachers**

Share your Catholic faith with children or youth. We offer classes at every age level from preschool through high school. Training, resources and experienced mentors are provided.

**Youth Group Core Team Leaders and Small Group Leaders**

Share your faith with children in an adventurous way. Our Jr. High and High School groups are high energy, out of your seat programs. Your life journey can be an inspiration to a Catholic adolescent or teen. We guarantee that your faith will grow as a result!

**Children's Liturgy of the Word Leaders**

Bring the stories of Scripture to life for first through fourth grade students by breaking open the Word with them at our Sunday liturgies (9am and 5pm)

**Classroom Aides**

Assist the primary catechists and core team members with copies, classroom management and possibly teaching. Aids must be at least 16 years old.

**Sewing/Art/Puppeteering/Anything Creative**

If you are looking for a way to utilize your unique talent in our community I promise to find a place for you. Simply call the Children's Ministry office.

You do not need to be a parent in order to volunteer. If you know of a Catholic grandparent, godparent, aunt, uncle or neighbor willing to volunteer please send him/her our way.

**All positions which have direct contact with children require an application, interview, fingerprinting and training.**
