

## **Youth Survey Results**

Youth Council undertook a parish-wide survey last spring to help guide youth programs. The survey was emailed to all parishioners, was available on the parish website, and was available to take on tablets with Youth Council Members after Masses in June 2014. Of the 1,700 families in the parish; 110 adults and youth completed the survey (183 viewed it and 123 started it). THANK YOU to all who completed the survey! Your feedback will help guide youth ministries in the upcoming year! While the numbers are small, the responses were consistent and offer a starting point.

Based on the survey results, the Youth Council Goals from the Pastoral Plan, and working with Fr. Warwick; Youth Council identified the Top 3 priorities for focus in the upcoming year. Youth Council will work with the new Youth staff in working toward these goals.
